<sup>1</sup> Question was worded: "Please tell me if you have a favorable or unfavorable impression of...the FBI (Federal Bureau of Investigation)...Is that a very favorable/unfavorable impression, or just somewhat favorable/unfavorable?"

<sup>2</sup> Question wording for all favorability trends from the Roper Organization was: "Let me ask you about a few specific federal agencies [ITEM]—Is your opinion of them highly favorable, or moderately favorable, or not too favorable, or rather unfavorable?" In these surveys, those who could not rate were not distinguished from those who had never heard of the agency; both were entered as "don't know" and are shown here as "can't rate".
