¹ In 2013-2017, respondents who did not have internet access at home were asked this question and their responses were included. In 2019, the 4% of respondents who do not have internet access at home were excluded from the question; they are included here with those who said "Never."

² This survey was administered on an American Trends Panel Refresh Survey, which requires a longer field period. See full methodology [here](#) for more details.
