

# Topline questionnaire

**Pew Research Center**  
**Spring 2019 Global Attitudes Survey**  
**January 6, 2020 Release**

## Methodological notes:

- Survey results are based on national samples. For further details on sample designs, see Methodology section and our [international survey methods database](#).
- Due to rounding, percentages may not total 100%. The topline “total” columns show 100%, because they are based on unrounded numbers.
- Not all questions included in the Spring 2019 Global Attitudes Survey are presented in this topline. Omitted questions have either been previously released or will be released in future reports.
- Response categories are only displayed if chosen by one or more respondents. Empty response categories are excluded. Due to rounding, some values may display as zero.
