

# Topline questionnaire

**Pew Research Center**  
**Spring 2022 Global Attitudes Survey**  
**November 4, 2022 Release**

Methodological notes:

- Survey results are based on national samples. For further details on sample designs, see Methodology section and our [international survey methods database](#).
- Due to rounding, percentages may not total 100%. The topline “total” columns show 100%, because they are based on unrounded numbers.
- Since 2007, Pew Research Center has used an automated process to generate topline for its Global Attitudes surveys. As a result, numbers may differ slightly from those published prior to 2007.
- The U.S. survey was conducted on Pew Research Center’s American Trends Panel. Not all questions included in the Spring 2022 Global Attitudes Survey are presented in this topline. Omitted questions have either been previously released or will be released in future reports.
