As you may know, Donald Trump signed an executive order arguing that children born in the U.S. are only U.S. citizens by birth if they have at least one parent who is a U.S. citizen or a legal permanent resident.

Several states and outside groups have sued the Trump administration, arguing that there is a longstanding constitutional guarantee that children born in the U.S. are automatically U.S. citizens by birth.

All in all, do you approve or disapprove of Trump's executive order limiting citizenship? **[ROTATE RESPONSE OPTIONS 1-4/4-1]**
