

**2025 PEW RESEARCH CENTER'S AMERICAN TRENDS PANEL
Wave 174: National Survey of Black Americans
June 16-29, 2025**

TOPLINE

General Public Total N=6,871

Note: This topline shows data for respondents from the general public only. "General public" refers to all U.S. adults regardless of race or ethnicity.

All numbers are percentages unless otherwise noted. Percentages greater than zero but less than 0.5% are replaced by an asterisk (*). Rows/columns may not total 100% due to rounding. The questions presented below are part of a larger survey conducted on the American Trends Panel.

"No answer" includes web respondents who do not answer the question as well as telephone respondents who refuse to answer or who say they don't know how to answer.

This survey was conducted primarily online, with some interviews conducted by live telephone. This topline shows the programming language for online administration. For details on how questions were slightly modified for phone administration, visit the questionnaire.
