Spring 2026 Global Attitudes Survey
May 28, 2026 Release

Methodological notes:

- Survey results are based on national samples. For further details on sample designs, refer to the Methodology section and our [international survey methods database](#).
- Percentages may not total 100% due to rounding. The topline “total” columns show 100% because they are based on unrounded numbers.
- Combined totals are based on unrounded topline figures. Prior to 2024, combined totals were based on rounded topline figures, so they may differ from previous years.
- Not all questions included in the Spring 2026 Global Attitudes Survey are presented in this topline. Omitted questions have either been previously released or will be released in future reports.
