Data for these tables represent averages of multiple Pew Research Center surveys which asked the question. This includes seven surveys from 2003-2004, six surveys from 2007-2008, and three surveys from 2011-2012, including the most recent April 2012 Values survey. Hispanic figures are based only on surveys where bilingual interviews were used. Figures for Hispanics and Hispanic subgroups are not shown for 2003-2004 because of a lack of bilingual interviewing. Whites and blacks are non-Hispanic only; Hispanics are of any race.
